

NOTICE

Master Plan Meeting – Take notice that the West New York Planning Board will conduct a public meeting on November 19, 2013 at 6:30 p.m. in the Community Room at 515-54th Street to receive public input on the Master Plan. Note that public parking is available on 52nd Street. This is the second meeting for public input on the Master Plan. This meeting will focus on land use and urban design. The public will be asked for input on potential locations for various land use types and the desired design characteristics of each land use type (residential, retail, office, industrial).

MARIA VARELA
Secretary, Planning Board
