Dear Community Member,

We are pleased to extend our warmest greetings. On behalf of the Mayor and the Board of Commissioners, we are excited to premier West New York's first Multicultural Festival, Saturday, May 21st, 2016. The festival will be held from 11am-2pm at Veterans Park, 54th Street and Boulevard East.

Our goal has always been, and will continue to reflect: enhancing the patron and community experience, and maintaining a safe environment. We take great pride in informing the neighborhood of the community events West New York has to offer, and would like to utilize this letter to officially do so and invite you to participate.

Our objective, in the Department of Cultural Affairs, is to provide fulfilling and stimulating events that bring our community together. This year, we will not be holding individual flag raisings as in past years. With so many cultures that comprise West New York, we want to acknowledge and celebrate our diversity with a unified celebration. Each country who has worked with us in the past however, will receive a designated week where their flag will fly in front of Town Hall. To find out more information on when your country's flag will be flown, please see our website. If you do not see the flag of a country you wish to be flown at Town Hall, please contact the Department of Cultural Affairs and we will be more than happy to accommodate everyone.

We encourage healthy participation from all organizations within West New York whom wish to showcase their culture. With registration, applying your group to participate in the festival, you will be provided a table to display information about your organization, share traditional foods, and educate the public about the country represented. We encourage traditional dance performances and special recognitions from each country present.

In order for us to familiarize ourselves with your organization and what you will be offering to the festival, we would appreciate the completion and return of the attached registration application. Please submit your registration application no later than March 31st, 2016. Should you have any questions or concerns, feel free to discuss them with us via email at tmarcano@westnewyorknj.org or by phone at (201)295-5101.

Respectfully,

Margarita Guzman
Commissioner of Parks and Public Property/Cultural Affairs
