Dear Artists,

We are pleased to extend our warmest greetings. The Town of West New York is excited to kick off the New Year with new events for the community's enjoyment.

Our objective in the Department of Cultural Affairs is to provide fulfilling and stimulating events that bring our community together. Our goal has always been, and will continue to reflect: enhancing the patron and community experience while maintaining a safe inclusive environment.

We take great pride in informing the neighborhood of the community events West New York has to offer, and would like to utilize this letter to officially do so.

We encourage healthy participation from all artists that wish to showcase their musical talent of all genres. There is no fee to perform at our events and we do not compensate performers. To participate, you will need to complete and return the attached musician application specifying which events you will be partaking in. In order for us to familiarize ourselves with your music, we ask you to be as detailed as possible when completing the application. Please feel free to submit any additional information, which help describe the style in which you provide.

We have attached a copy of our event schedule and encourage you to join us as we enjoy all of the exciting upcoming events. We ask that you arrive for setup of each event an hour before hand.

Please submit your musician application no later than March 18<sup>th</sup>, 2016. Should you have any questions or concerns, feel free to discuss them with us via email at [tmarcano@westnewyorknj.org](mailto:tmarcano@westnewyorknj.org) or by phone at (201)295-5101.

Respectfully,

Margarita Guzman  
Commissioner of Parks and Public Property/Cultural Affairs
