   Individual thanked Doctor [sic] and Sergeant Clevert [sic] for a great job. Noted that more cops provided more safety.

3. **Gary Pollack, 11-10 27th, WNY:**
   Mr. Pollack read an email he sent (unclear who recipient was). Serious conflict to hire Judge D'Amico.

4. **Alan , , :**
   CWA- National. Speaks on behalf of union men 1045. There are many members, he

came to speak on their behalf. Contract tentatively agreed upon was voted down. Two ways to handle the situation: go to Trenton and try with mediator and if that does not work (notes unclear) No fault of anybody (notes unclear). Union is about the people since 1978 never had a contract, voted down. Individual noted that it was his job to take it to the union (notes unclear. Individual did not want to point fingers, just wants everone to understand. In regards to pay – part time-hourly make [notes unclear) at 18 years make $30,000, which is less than $15 per hour. Those hired off the street make more than they are. He wants to make it more equal ($25-30 per hour). Now it is barely living wage. West New York should not be Walmart (notes unclear). Commissioner Frias at this point spoke but the notes are unclear.

5. **Ron Se, 6119 Tyler, WNY:**
The last meeting regarding Ordinance (notes unclear) afterward 3 people were hired (notes unclear) . . . Town breaking the law, it is ridiculous, people of West New York not given the chance (notes unclear). Men in tow [sic] have worked hard but are treated like 2nd class citizens (notes unclear). Commissioner Wiley at this time made comments but the notes are unclear.

6. **Jason Garcia, 6508 Broadway, WNY:**
Mr. Garcia made comments and Commissioner Frias responded but the notes are unclear.

7. **Arnold H., 5701 Boulevard East, WNY:**

MEMO TO: **Mayor and Board of Commissioners**
Town of West New York

FROM: **Robert J. Russo, P.E., P.P., C.M.E.**
Town Engineer's Office

DATE: **January 10, 2014**

RE: **General Engineering and Capital Project Status Report**
West New York, New Jersey

- **Improvements to Fillmore Place and Dewey Avenue Parks**
  - The project was awarded on September 4, 2012 to the low bidder which was Rich Picerno Builders of Kenilworth, NJ, with a bid of $750,458.00.
  - The contractor has substantially completed Dewey Park and Fillmore Park. We had issued a punchlist for the project and the contractor has substantially completed same. We are currently reviewing the remaining punchlist items.

- **FY2012 NJDOT Municipal Aid Grant and Road Program (67th St from JKF Blvd West to Pallsade Avenue)**
  - The Town received a grant in the amount of $280,800.00. We estimate the construction cost for the project to be $275,000.00.
  - The project was advertised for the receipt of bids on April 9 with the bid opening on April 30. The project was awarded on May 15 to the low bidder which was 4 Clean-Up, Inc. of North Bergen, New Jersey, with a bid of $266,962.25.
  - We held a preconstruction meeting on July 19, 2013. The contractor has substantial completed the project including the concrete work and installation of the roadway surface course.
  - The project has been completed for less than the NJDOT grant amount. We were able to extend the paving limits approximately another 500' to Hudson Avenue which the contractor has finished paving.
  - We are working on the NJDOT close-out for the project.

- **Veterans Park Slope Remediation and Park Improvements**
  - The Veteran's Park Slope Remediation and Park Improvements project generally consists of the construction of an approximately 700 LF precast concrete retaining wall to repair and prevent further erosion of the existing steep slopes that currently exist at the site. The improvements may also include but are not limited to the construction of ADA compliant walkways, reconstruction of existing walkways, soil stabilization, lighting and landscaping improvements, park amenities such as outdoor exercise equipment, benches and water fountains and the installation of security cameras.
  - The proposed retaining wall will be constructed, at its furthest point, approximately 100' east of the existing fence line at the park, adding approximately 30,000 additional square feet to the park area.
  - We have completed the following design aspects for the slope remediation improvements:
    - Preliminary Concept designs
    - Performed Field Borings and Probes to determine soil conditions and depth to bedrock.
    - Geotechnical Analysis of borings and probes
    - Preliminary structural analysis and design for the proposed wall
  - We are currently completing the structural design, preparing construction plans and contract documents for the project. The project is scheduled to be advertized for bids on January 28, 2014 with a bid opening on March 11, 2014.
- The project is partially funded by a matching Green Acres grant and Hudson County Open Space grants.

- **FY2013 NJDOT Municipal Aid Grant and 2013 Road Program**
  - We had prepared and submitted the FY2013 NJDOT Municipal Aid Grant application to the NJDOT for the following roads:
    - 60th Street from Buchanan Place to Bergenline Avenue (2000'-Half Width).
    - 65th Street from Broadway Avenue to Park Avenue (675')
    - 51st Street from JFK West to Bergenline Avenue (615')
    - 66th Street from Hudson Avenue to JFK East (2060')
  - The estimated construction cost for the above roads is approximately $810,000.00.
  - The Town has received an NJDOT grant in the amount of $344,860.00.
  - We have completed the survey work and design work associated with the roadways and have received NJDOT approval.
  - The project was advertised for the receipt of bids on December 27, 2013 with a bid opening scheduled for February 4, 2014.

- **Municipal Pool Renovations**
  - As you are aware, the Town has received Green Acres funding for various renovations to the Municipal Pool Complex. The improvements proposed for the building include siding repairs, bathroom stall upgrades, new ventilation, ceiling fans and lighting, refinishing of the floors, exterior door replacement and other miscellaneous improvements. The exterior pool area improvements include new lighting, replacement of broken lighting, new security cameras, fencing replacement, replacement of picnic tables, removal of deteriorated landscape boxes, exterior shower, general landscaping improvements, parking lot improvements and other miscellaneous improvements.
  - The project was awarded on May 15 to the low bidder which was Rich Picerno Builders, LLC of Kenilworth, New Jersey, with a bid of $500,000.00. We held a preconstruction meeting on June 11, 2013 and the contractor has commenced with the work.
  - As of this date the contractor has replaced the siding on the building, installed the new outdoor shower slab and shower, hot water heater, ventilation exhaust system and lockers, new bathroom lighting and ceiling fans, new ADA compliant sinks, repaired the foundation for the stairs, installed new outdoor tables and performed some clearing work.
  - The contractor has stopped work for the winter and will complete the project in March of next year.
  - We had issued construction plans, a preliminary assessment report and required forms to Green Acres for their review and approval. Green Acres has approved same and issued the signed agreement for the project.

- **Town Tax Map Revisions**
  - We are currently updating the Town's existing tax maps for a revaluation process. We received deed information from the tax assessor which we are reviewing. We have preliminarily completed the update to 26 sheets out of 36 Town tax map sheets and are currently continuing to update the remaining sheets.

- **Improvements to Washington Park**
  - The Town has received a CDBG in the amount of $400,000 for this project. We prepared a proposal for the preparation of construction plans and contract documents for park improvements.
  - The field survey work and the base maps are now completed.
  - We met with the Town's Security Camera contractor regarding security cameras for the park. They have provided us with a basic plan of where the cameras should be installed to provide coverage for the park and a cost estimate for their installation.
  - We had prepared conceptual park improvement plans which we reviewed with the Town. We are making minor modifications to the concept plans and continuing with the design.
  - We anticipated advertising for receipt of bids in late February 2014 with construction commencing in early spring.

- **Improvements to Miller Park**
  - As you are aware, the Town has received Green Acres funding for various improvements to the park. We prepared a proposal for the preparation of construction plans and contract documents for park improvements.
  - The field survey work and the base maps are now completed. We are currently working on conceptual plans for the park design.

- **Miscellaneous Engineering**
  - Hudson Avenue from 55th to 60th Streets: We were asked to review the existing street lighting levels in this area and see if additional lighting could be provided. We met with PSE&G and they have provided an agreement to increase the existing street light wattage for ten (10) lights from the existing 250 watt lights to 400 watt lights in addition to also increasing the cobra head arm length from 8' to 15'. Three (3) additional lights will also be installed. We believe this will significantly increase the light levels in this area. We contacted PSE&G about the scheduling of the street light installation. They are awaiting the delivery of the 15' cobra head arms and will begin installation once received.

  - NJDOT FY2014 Trust Fund Grants: The FY2014 NJDOT Grant applications were due September 20, 2013. We prepared and submitted the grant applications for the following roads:
    - 60th Street from JFK Blvd West to Madison Avenue (1425')
    - 51st Street from Bergenline Avenue to Broadway Avenue (1575')
    - Gaw Place from 56th Street to Southern terminus. (200')
