As a Property Owner or Authorized Representative of the Property Owner, I grant consent to the Town to enter the property noted below for the purpose of removing graffiti. For the purpose of this Consent, "the Town" means personnel and equipment of the Town of West New York, its agents and employees. The Town may remove graffiti in the manner it deems appropriate, including but not limited to, by power-washing, painting or use of chemical solvents.

The Town will, in good faith, attempt to remove the graffiti from the property. However, by signing below, I understand that: 1) the graffiti removal services shall be performed as deemed appropriate by the Town; 2) the Town does not in any way obligate itself to perform any graffiti removal services other than those deemed appropriate by the Town; and 3) the Town assumes no responsibility if the area cleaned or painted by the Town does not match the remainder of the property, or if some residue of existing graffiti remains.

I indemnify and hold the Town harmless from any liability for physical injury, death, or property damage arising from the performance of graffiti removal services on the property pursuant to this Consent, unless such liability arises entirely from actions or conduct of the Town, its agents, employees, or independent contractors. This Consent shall be effective until terminated in writing by the Property Owner, or by the Authorized Representative of the Property Owner.

I _____, the owner of the above referenced property, hereby authorize the Town of West New York to remove graffiti from the property and agree to hold the Town harmless.
