H. MANDATORY BUSINESS REGISTRATION LANGUAGE
Non Construction Contracts

All contractors and subcontractors must provide a Business Registration Certificate when seeking to do business with the State of New Jersey, and other public agencies in this state. Failure to submit proof of registration requires mandatory rejection of a bid as a non-waivable defect. Proof of registration must be received before the contract is issued for non-bid contracts: such as contracts exempt from public bidding that are over the bid threshold, professional services, and extraordinary unspecifiable services, and purchase orders that are under the bid threshold. For non-bid contracts only, if proof has been filed through a previous contract, the contracting agency may waive resubmission.

"New Jersey Business Registration Requirements"

- (1) In response to a request for bids or a request for proposals, at the time a bid or proposal is submitted; or
- (2) For all other transactions, before the issuance of a purchase order or other contracting document. In its sole discretion, the contracting unit may waive this requirement if a business registration has been previously provided to the contracting agency.

N.J.S.A. 52:32-44(1)(c) A subcontractor shall provide a copy of its business registration to any contractor who shall forward it to the contracting agency. No contract with a subcontractor shall be entered into by any contractor under any contract with a contracting agency unless the subcontractor first provides proof of valid business registration. The contracting agency shall file all business registrations received by the contracting agency with other procurement documents related to the contract.

For the term of the contract, the contractor and each of its affiliates and a subcontractor and each of its affiliates [N.J.S.A. 52:32-44(g)(3)] shall collect and remit to the Director, New Jersey Division of Taxation, the use tax due pursuant to the Sales and Use Tax Act on all sales of tangible personal property delivered into this State, regardless of whether the tangible personal property is intended for a contract with a contracting agency.
